Visit & Understanding of Health Centre

NSS unit of DKV Arts and Science College has organized a health centre visit for the NSS students on 08-02-2017. Two faculty members and 45 students have visited the health centre and explored the working culture and all about the health centre working for the rural health. In case of any medical emergencies in rural area it takes longer time to reach hospital in the nearby city which can cause worsening of the health of patients. Students have come to know the importance of health centre in the rural area.
