## A Report on “Women’s Safety Law Awareness” program organised under RUSA Component – 9

To educate a girl child is must for better progress of the society. However, their safety issues are big hurdles to achieve success for this aim in India. To overcome this hurdle and a female candidate can work confidently at their workplaces an awareness program regarding their safety (Under RUSA COMP. – 9) had been organised at D K V Arts and Science College Jamnagar on 19<sup>th</sup> September, 2019.

Dr. Vimal Parmar – Principal of K P Shah law College Jamnagar, had been invited for providing better guidance regarding different laws related to woman’s safety. During this session he discussed about different sites and application available for woman’s safety. He not only emphasised on how to use different laws but he more emphasised on not to misuse these laws and talked about the importance of laws and importance of their responsible use. This lecture had provided better knowledge regarding the safety issues of female.

Respected Ramjanaysir,  
Hope you are doing well.

I have prepared some doped ZnO samples with chemical method. I have applied for beamtime for temperature dependent EXAFS measurements on those films. Probably in summer i will get beamtime for those samples. I wanted to do XRD and magnetization on these samples probably i will send my one of B.Sc. student if everything goes well. Shall i apply it?

Thanks and regards
